

Name: Joel Teo

Email: jhwteo002@mymail.edu.sim.sg

Personal profile:

I am a year 3 student studying computer science. I prefer to work as a team rather than individual. I did not study computer science or IT related courses before coming to SIM, hence, programming is relatively new to me.

Skills and Technologies:

I am decent in documentation and I am still improving on my programming skills.

Technology:

Java, python, MySql, Oracle
